# Why we are here

---

In response to the COVID-19 outbreak, four Working Groups were formed in April 2020 to review options to secure UNSW's future.

- **Faculty** Working Group;
- **Divisions** Working Group
- **Horizons Plus**; and
- **Project Phoenix**

# Why we are here cont.

---

Working Groups were asked to:

1. Consider steps to **address UNSW's financial challenges**
2. Review and **analyse all aspects of UNSW's operations**
3. Think of creative options to enable UNSW to **address the major challenges facing society** around the world
4. **Consider insights received** from over 750 staff on suggestions for our future

Recommendations from each Working Group were presented to Management Board in early July 2020 for consideration.

# Why we are here cont.

Recommendations endorsed by Management Board were presented by Prof. Ian Jacobs on 15 July 2020 as a range of proposed changes:

**Faculty  
Rationalisation**

**Reorganisation of  
Divisional services**

**Address financial  
shortfall of \$75  
million through PC  
savings**

# Reasons for Change

---

For UNSWIT, the reasons for for change are driven by the following :

1. COVID-19 impact to people budgets for 2021 and beyond
2. Remove duplication of functions and drive towards efficiency
3. Drive towards Self Service Model and increased usage of Standard Operating Environment (SOE) devices.
4. Reduction in operating hours of Service Desk and Service Centre
5. Reduction in number of management positions
6. Shift from operational to transformation and innovation activities.
7. Consolidation of the Domain Model.
8. Increased focus on Cyber Security operations and awareness

# Proposed Changes

---

People impacts resulting from change are felt across :

- |                            |  |
|----------------------------|--|
| 1. IT ELT                  | – merged functions resulting in reduced management structure           |
| 2. Strategy & Architecture | – inclusion of the PPMO function                                       |
| 3. StARS                   | – minimal impacts  |
| 4. BITS                    | – disbanded  |
| 5. Corporate Services      | – inclusion of Vendor & Commercial function and Digital Solutions team |
| 6. CSD                     | – substantial change across a number of teams                          |
| 7. Cybersecurity           | – minimal change   |

# IT Leadership Team

# The People Impacts: Workplace Change

The Workplace Change period will follow the following timeline:

16<sup>th</sup> September

12<sup>th</sup> October

January 2021

# The People Impacts: Change Proposal

Today staff will receive a copy of the **Workplace Change Proposal**, which outlines the detailed changes proposed for UNSW IT

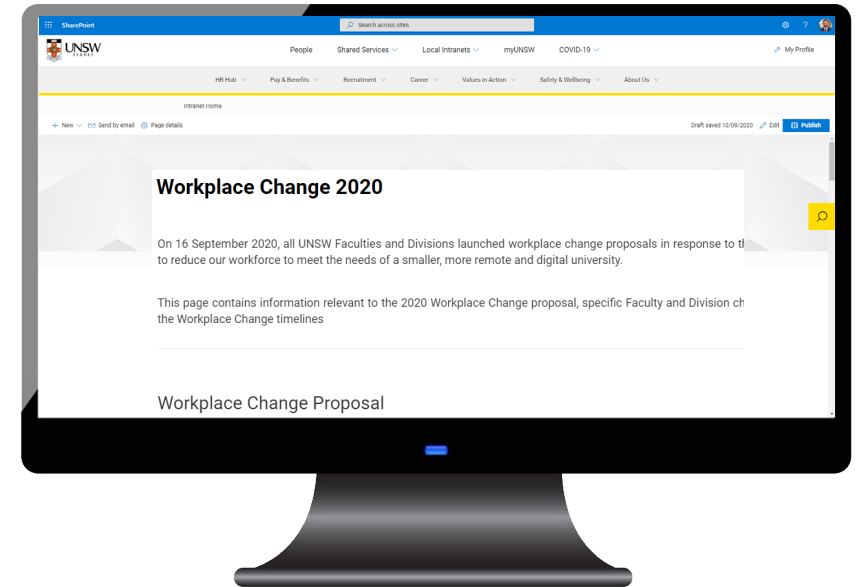

Please review the Proposal to understand the proposed changes and impact to your role (if any)

- Staff are invited to submit a response to the proposed changes.
- Responses must be submitted by **5:00pm on Monday, 12th October**
- UNSW will consider all responses received before finalising any decisions on roles or structures.

# Workplace Change: Next Steps

The Vice Chancellor will issue communications today regarding the Workplace Change with a link to the [Workplace Change Hub Page](#) for:

- ✓ Overall Workplace Change Overview
- ✓ Division / Faculty Workplace Change Papers
- ✓ Provide feedback on Workplace Change proposals
- ✓ Workplace Change timeline
- ✓ Further support for staff

# More information & support

---
